Dear Passengers

To help you find your way around Milano Centrale station,
we have put together this brochure containing useful
information.

We wish you a pleasant journey!

Changing trains in Milano Centrale.

- After exiting the train, consult the departure board to
get the platform number of your connection. **It may be
that this information is not shown until shortly
before departure.** The platform numbers for
departures from Milano Centrale are not indicated on
SBB's online timetable. **Trains heading to Switzer-
land usually operate from platforms 3 to 8. Make
sure you arrive in the vicinity of these departure
platforms in advance.**
- On many trains, the doors close one minute before
departure. So make your way to your departure
platform in time. In addition, when two trains are lined
up, often only the front unit will be open.
- Only exit the gates to leave the platform platform if you
have sufficient time before the departure of your con-
necting train.
- Numerous shopping and catering facilities are available
within the platform area. Outside the gates, you will find
another 120 stores in an internationally unique architec-
tural setting.

If your train to Milano Centrale is delayed and/or if you
miss your connection in Milano Centrale:

1. Inform a member of staff on the train on which you are
travelling.
2. Upon arrival at Milano Centrale, seek assistance at one
of the mobile customer service desks located in the
platform area.
