GENERAL TERMS AND CONDITIONS OF ELVETINO AG

1. Service

Elvetino AG is the transport companies' official service partner for the provision of railway catering services. This contract governs the handling of group orders and catering services in the SBB Restaurant and the special train. Group orders are defined as food and drink orders by 10 passengers and above.

2. General operating conditions

2.1

Catering services for travellers are provided on regular scheduled trains, special trains and chartered coaches. In exceptional cases, catering services may also be provided on stationary trains or outside of trains. The transport companies are responsible for the general operating conditions, timetables, rolling stock and route selection.

2.2

Trains offer limited kitchen infrastructure and loading/storage capacities. It is therefore possible that the product range and/or service may have to be restricted.

2.3

Overnight stays by our staff which are caused by special event journeys are subject to an accommodation flat rate of at least CHF 200. The flat rate depends on the length of the journey, the number of staff requiring overnight stays and the standard regional accommodation costs.

3.1

An order can be placed with Elvetino AG verbally or in writing. Orders must be submitted to Elvetino no later than 10 working days before the event. Short-term small orders are accepted where possible. The offering and the service may be limited, however. The contract shall be deemed concluded once Elvetino AG provides a written order confirmation.

4.2

Up until 10 working days before departure (Mon to Fri, 8am to 12 noon / 1.30pm to 5pm), changes made to the number of passengers or the services provided are free of charge. Thereafter, the services and number of participants specified in the order confirmation will be considered confirmed. 15 to 9 working days before departure: 50%, minimum CHF 500.00

0 to 8 working days before departure: 100%, minimum CHF 500.00

The charges amount to the costs of the pre-booked services pursuant to the last order confirmation issued by Elvetino AG.

4.4

The relevant date for the calculation of the cancellation charges is the date on which Elvetino receives the written notice of change during office hours (Mon to Fri, 8am to 12 noon / 1.30pm to 5pm) .

5. Minor changes

Elvetino reserves the right to make minor changes to the provision of its services in the case of short-term changes in market supply due to product shortages or significant price rises. In doing so, Elvetino will take the client's specific interests into account and ensure that equivalent services are provided.

Personnel, logistics and infrastructure costs and table settings with seasonal decorations are charged separately, depending on the type of train, and in addition to the costs of the food and drinks. The amount of these charges depends on the specified hourly rates and the staff, logistics and infrastructure required as per the timetable, scope of the catering service and infrastructure.

Where passengers bring their own drinks, we reserve the right to charge a corkage fee.

8. Invoicing and payment

8.1
